of

Haysi High School

Haysi, Virginia

Foreword

The publication of the Thunderbolt signifies the close of another year's history of Haysi High School. We have enjoyed compiling this edition of our yearbook because we realize that we have preserved for you treasured memories of classmates, teachers, activities, and all that has been a part of our active school days.

The 1963 Thunderbolt is a record of the past which we hope you will take with you into the future and reflect upon with pleasure.

Dedication

Because for over 29 years you have given your time unselfishly to the students of Dickenson County;

Because every student of Haysi High, whether he has or has not had you as a teacher, appreciates deeply the service you have rendered to the school;

Because we want to show the gratitude of Haysi High to one who has always acted with friendship and tolerance toward all, we, the Thunderbolt Staff of 1963, affectionately dedicate our yearbook to you.

Mrs. Mary Cain

A man who is . . .

Never too busy to help us with our problems;

Never too busy to talk to us;

Never tires because of his sincerity;

Never too busy to do something for Haysi High;

Never fails to admit his mistakes, which makes us less ashamed of our own; because of your willingness in doing these things, we proudly dedicate this issue of the Thunderbolt to you.

Superintendent's Message

I offer you my sincere congratulations on having completed your high school program of studies. You have good reason to be proud of the success you have attained.

I hope that each of you will continue to further your learning to better yourself to meet the challenges and complexities of our modern age.

May you so live that your parents and teachers will be proud of you.

My best wishes for your continued success in the years ahead.

Sincerely,

Paul W. Skeen

Principal's Message

Dear Seniors,

You have now passed an important milestone in life, and it is time to call on you to summarize your achievements and to consolidate plans for the future.

The diploma you receive will open the door of opportunity to positions that are not available to fellow students who dropped by the wayside. Your perseverance will pay dividends.

Before you find your place in our ever-changing society more education and plenty of hard work are in store; and you must determine the proportion needed to reach your goal.

The faculty and I will follow your progress with interest and anxiety. May God be with you.

Sincerely,

C. C. Short

Our Helpful Helpers

Time is nearing when you will graduate from Haysi High School.

This will be the beginning for you to take a new place in society. Some will choose to continue your education in college or trade school; others will seek a job. Regardless of what you do after leaving high school, you will find there will be new responsibilities that you must accept in order to succeed in life. May you plan your future wisely in the field of your interest.

I am glad to take this opportunity to thank the annual staff for this year's edition of the Thunderbolt.

"...U.S. History comes first." - R. C. Hay

Annual Staff is determined to meet the "deadline" - regardless!

Farewell . . .

This group of seniors represents a small but important part of the world's population. We have tried to hold aloft the torch of knowledge that was lit for us by our forefathers, and we are thankful to Almighty God for the opportunity to learn and to go on learning throughout life.

To our student friends left at Haysi High, we admonish, "Hold high the torch and hand it down to others still lit and burning brightly." To our teachers, a heartfelt "thank you" and deep within us lies the knowledge that you will always be appreciated and never forgotten.

Initiation is fun???

Panzy, Alice, and Dorothy enjoying FHA Camp.

Mike, Clyde, and Harmon clowning.

Smokers' Glory--Just one more drag.

Run, don't walk! You've got three minutes.

Chow time.

Giggle, giggle!

Last Will and Testament

We, the Senior Class of 1962-63, leaving our "golden days" behind, realizing the doubtfulness of our academic achievement and the uncertainty of the future, hereby present our last will and testament.

I, Glenda Turner, being of sound body and no mind, will my government book to anyone that has the brains to pass it.

I, Danny Fuller, being of sound mind and little body, take my love for Irene Sykes with me and her too.

I, Irene Sykes, being of sound mind and little body, will my good times at H. H. S. to my sister Peggy; but I plan to take my love for Danny and Danny, himself, along with me.

I, Guy Yates, being of good body and excellent mind, do hereby will all my brains (I'm not bragging) to my younger brother, Cline, in hopes he will use them for studying and not for girls as I have.

I, Gay Puckett, will my love for boys and short skirts to anyone who likes 'em as well as I.

I, Roger Edwards, being of sound body and weak mind, will all of my good times to the future students of H. H. S.

I, Shelby Jones, will all my good times at H. H. S. to my brother, Walter, and nephew, Greg. My love for chewing gum and white Corvairs I'll share with Jewell Rose, but my love for my parents I'll keep to myself.

I, Wayne Willis, will all my good times in high school to my brothers, Roger and Kenny.

I, Jewell Rose, will all my love and good times at H. H. S. to Billy Mitchem, and my future plans I will share with Shelby Jones.

I, Truman Hill, being of sound mind and body, will all of my bad luck to Haysi High School.

I, Kathleen Rasnake, will all my love for Haysi High to my son Michael, and my memories of good times I'll keep for myself.

I, Clyde Rasnake, (Barney) being of sound body, weak mind, and a weakness for girls, will my good times at H. H. S. to Herman Duty.

I, Mildred Lyall, will my love for H. H. S. to my nieces and nephews in hopes that they find as much enjoyment in coming here as I did.

I, Larry Mullins, will my love for Sharon to myself and my love for myself to Sharon.

I, Shirley Sykes, will all my love for H. H. S. to my cousins, Roberta, Noah, and Lonnie; and my love for Billy, I will take with me.

I, Danny Harlow, being of sound mind and weak body, will all my good times at Haysi to my cousins Brenda and Donnie, and the love I have for Emily Smith I will take with me.

I, Carol Sutherland, will my appreciation to my parents for sending me through school and the good times at the Lake Side to Pansy Turner in hopes that she has as much fun as I did.

We, Harmon Rasnake and Michael Colley, being of weak mind and strong body, will our mud flaps and spinners to Jimmy Owens.

I, Laquita Sutherland, will all of my belongings that I can't take with me to my younger brother, Elmer Cline.

I, Darrell O'quinn, am leaving all my belongings at Haysi to anyone who wants them because I'm going so far away it will take a dollar to send a post-card home.

I, Lucille Austin, will all of my good times at H. H. S. to the Lick Creek gang, especially Bonicha Counts.

I, Roger Sutherland, plan to take everything I own (except my biology book) with me because I deserve them; I'll will my biology book to anyone dumb enough to take it and smart enough to pass it.

I, Berniece Hamon, being of disordered mind, will everything I have to anyone who wants them.

I, Connie Willis, being of sound body and very little mind, will my fun at H. H. S. to my brother, Harold; and my love for dark haired boys, I will take with me.

I, Sharon Mullins, unlike the rest of those stupid people, am taking everything with me, including my love for "Officer Which" and my nephew Mark.

I, Betty Artrip, will my bad times at H. H. S. to Brenda Delaney; and my love for Mack, I'll take with me.

I, Sandra Williams, will all my good times at H. H. S. to the juniors, in hopes that they will have as much fun as I; and my love for a certain Air Force guy I'll take with me.

I, Myrna Yates, will all of my books and good times at ballgames to my brother, Greg; and I plan to take everything else with me, especially a certain boy.

I, Virginia King, will all my love to Kit Sykes forever, and my oversized baton to anyone who can handle it.

We, Mary Sue Owens and Terrie Owens, unlike the rest of our stupid classmates, leave nothing to "nobody" because we have nothing that anybody wants except our love for two certain "men"; and we are taking that with us.

We, Bob Mullins and Kenny Turner, will our alcoholic ways and good times in football to Jerry Lee Sutherland, but our love for Peggy and Wanda we will take with us.

I, Jerry Thomas, being of weak mind and sound body, will all my love for Dan Tiller and Mary Cain to my cousin, Tony Thomas, in hopes he will be as mean as I was.

I, Charles Sykes, will my mean and witty ways to my sister Betty, and my love for football to my brother Johnny, and hope he doesn't get as many bruises as I did.

I, Wayne Sutherland, will my clarinet to Mr. Carpenter, in hopes that he will find someone else who can play it.

I, James Farmer, being of weak mind and sound body, will all my love for the good times at H. H. S. to my younger sister and brother, Susie and Billy.

I, Tilford Epling, being of weak mind and sound body, will Haysi High School to anybody who is stupid enough to enroll here; and the pool hall that Jim S. willed me, I will keep myself.

I, Jim Duty, being of no mind and strong body, will my love for sports to my brother Charles; and my love for girls, I will put off on someone else.

I, Janice Viers, will my love for Haysi High to my little brother Kelly; but my love for Jack, I will take with me.

We, Leonard Davis and Jimmy Owens, will our government books to anyone who can make better use of them than we made.

I, Mary Lou Deel, will my love to my parents and sister and my serenity of spirit (what I have) to anyone who can remain serene.

I, H. L. McKemy, being of sound body and a weak mind, will all my love for the good times at H. H. S. to my younger sister and brother, Becky and Jimmy, and my looks to anyone that wants them.

I, Beulah Counts, will all my books to my brothers, Donnie and Ronnie; and my love for H. L. McKemy, I will take with me.

We, Jim Puckett, Roger Rice, and Johnny Branham, being of sound body and strong mind, do not wish to will anything to anybody, except our plane geometry books, which can be returned to the Indians.

I, Judy Hay, feeling a need for everything I have, take everything I have with me, including Pal Gay.

I, Earl Coleman, will all my dull past to Mr. Short and to the future seniors.

We, Linda and Shelia Edwards, will our ability to cut lunch line to anyone who thinks they are sneaky enough to get away with it. And Shelia takes her love for Teddy with her.

We, Donald and Jimmy Colley, being tired from making a run last night, will our still to anyone who can find it and outrun Caney Farmer.

I, Paige Kiser, being of weak mind and not much body, won't leave nothing with nobody.

I, Gleason Silcox, will all my good times at Haysi High to all the future seniors.

We, Gail Anderson and Alice Taylor, will our pizza parties to Sandy, Delphine, Sue, Brenda, and Julia. Our love for our family and friends will be taken with us.

I, Coy Nowlin, with feeble mind and broken body, will all the bad things of H. H. S. to anyone who wants them; and I, myself, will take all the good things with me.

I, Carolyn Sue Stanley, being of sound mind and body, will all my good times at H. H. S. to my cousin, Darlene, and all of my books to my brothers, Gene and Dean, and hope they enjoy studying them as much as I did.

I, Harrison Dutton, being of sound mind (I hope) and body, will all my tortures and suffering at Haysi High to anyone who is fool enough to take them.

I, Wanda Hylton, being of sound mind and body, will all my good times at H. H. S. to my sisters, Freda and Linda, and to my brother, Lynn; but my love for Curtis, I will take with me.

I, Ronald Robinson, being of no mind and sound body, will all my good times in Mrs. Cain's class to my younger brother Davy.

We, Jackie Counts and Dorothy Edwards, will our pleasure of getting out of this place to our little sisters, and brothers, and our love to our parents.

I, James Colley, will my good times at H. H. S. to my sisters; my love for Vocational Agriculture, I plan to take with me.
